Great photo well me friend. I am close to hanging my spray equipment up and my Inspection equipment. After 35 years it's time to leave. Howard you have been a great influence in my life by you help in the Building Inspection side of this industry and I thank you for it. With out your support I would have been lost. But you incurred my to give it a go. And I thank you for that. I would like to still do something in the industry but not on tools. I am still very active and I have just had another birthday. 76 and keep working. So soon I will say good buy. But I will never forget you for what you have done for my. And from me and my heart ❤️ Howard it a very big thank you. Regards. Keith.
